SUBJECT: All Golf Car Models – Starting Primary ID (PID) Numbers and PID Location for All Vehicles (1979~2018)

©2018 YAMAHA GOLF-CAR COMPANY

The following is a comprehensive list of the Primary ID (PID) serial numbers that designate the start of production for each Yamaha Golf Car model. The PID is used by Yamaha Golf-Car Company to identify the model / model year of each car for warranty and parts identification purposes. The information below is intended to assist in identifying the different models and model years, and the location of the PID of each car.
